Radio Technology Somfy®

*"Simplicity is the
ultimate sophistication"*

Leonardo Da Vinci.

Somfy's unique and stylish range of remote controls provide users with ultimate convenience for the operation of motorised window coverings. With Somfy's world leading Radio Technology Somfy (RTS) as the radio control platform, you can adjust individual or groups of window coverings from up to 200 metres away, gaining precise control with the simple push of a button – no need to point or aim the remote control. Simple, Stylish, Somfy.
