# TaHoma™ One

## The new way to control the home

TaHoma™ One simplifies control of home equipment. It is a single, intuitive and user-friendly interface to programme and control all home equipments via a smartphone.

Just 4 menus to manage all motorised home equipment

### Home

- Control all compatible devices in your home. Individually or in groups.

### Scenes

- Activate your scenarios at a touch of a button
- Automatically plays scenarios at pre-set time

### Remotes

- Combine and consolidate all of your Infra-red equipments eg TV, air con, audio...
- Personalise universal remote control, including 15 favourite icons

### Security

- Securely monitor your home via IP camera
- Availability to be announced

## TaHoma™ One box, technology to live with

### Simple

The TaHoma One Box simplifies control in the house

- Your smart device becomes your portable control panel within your home
- Access every function via our easy-to-use, secure app

### Flexible

Compatible with newbuild or renovation

- Does not require re-wiring, additional relays nor central console, ideal for retrofit application

### Expandable

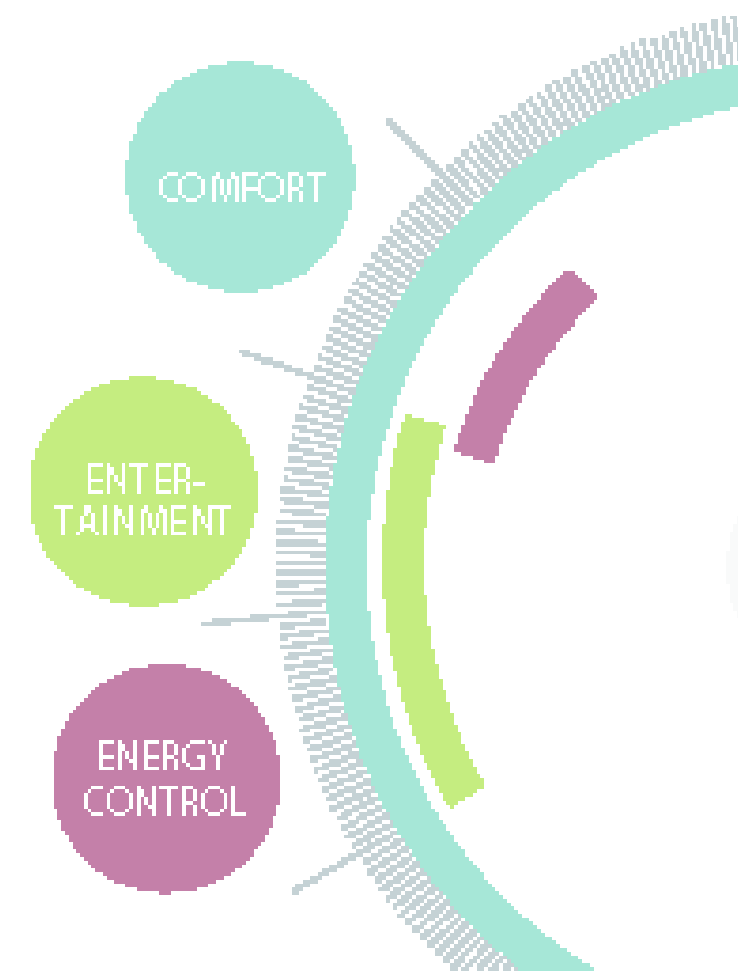

Easy to upgrade without wiring hassle

- Add new devices as you choose to remodel your home

### Adaptable

It adapts as your needs change

- Modify your scenarios easily via our step-by-step guide
- No risk of deleting previous configuration

# Sonesse®

## SomfydesignedforSilence

As the world leader, Somfy is committed to providing innovation that fulfills user expectations in residential and commercial buildings. With more than 100 million motors sold, Somfy continues to improve the sound quality of its motors providing powerfully smooth and silent movement. It's this added value that's a must for all interior installations.

Today, our high-acoustic-performance Sonesse® range motors and accessories are registered with 7 patents, while Sonesse® 30 has received a Window Covering Manufacturers Association (WCMA) Product Innovation Award.

The new Sonesse ULTRA 50 will set a new quality acoustic standard. From now, silence is no longer a luxury.

Sonesse® 30
