1039363	OXIMO RTS 15/17 3M White Cable	590	540	-50	605	590	613
1041374	OXIMO RTS 20/17 3M White Cable	590	540	-50	605	590	613
1045314	OXIMO RTS 30/17 3M White Cable	610	590	-20	655	640	663
1049430	OXIMO RTS 40/17 3M White Cable	680	610	-70	675	660	683

### Example of technical datasheet

	20/07/2020	SDEV-CLU-IMPS 61R01
	ALTUS 50 RTS	
	TECHNICAL DATA MOTOR	
		ALTUS 50 RTS Range 1

Reversal of the direction : by pushing the stop button of the transmitter during 5" during the factory mode  
 Get control : Push the UP and DOWN button of the control in order to get control of the motor after the first power on during the factory mode  
 Reset of the memory : 1- double cut-off with making alive from 5" to 10".  
 2- push briefly the programming button of a new transmitter until the motor moves UP and DOWN briefly.

Neutral	Blue
Live	Brown
Earth	Green / Yellow
