

Situo RTS

V1 v V2 comparison

Variations:

Front:

- Pure:
 - Position and colour of Up/My/Down labels differ
 - Somfy Branding darker on the Situo RTS II
- Iron
 - Position of Up/My/Down labels differs
 - Situo RTS II Iron coloured border is slightly darker than the Situo RTS Silver

Side:

- Situo RTS II side profile is darker in colour
- The Situo RTS II side profile has a ribbed plastic for better ergonomic grip/handling

Back:

- Situo RTS II back profile is dark in colour
- Includes internationally recognised and ACCC compliant button battery marking symbols

Wall mount hole:

- The Situo RTS wall mount bracket is not compatible with Situo RTS II. Please ensure that the Situo RTS II wall mount is used with the V2 control
